DR. MILES' ANTI-PAIN PILLS are cheap, convenient, certain and harmless. Cheap, as one dose is usually sufficient to relieve the pain. Convenient, being little tablets, that you can always carry, and take as you would a lozenge. Certain, because they cure by soothing the irritated nerves. Harmless, as they contain no harmful drugs. 25 doses, 25 cents. Never sold in bulk.

## INTERESTING CONTEST PLANNED

One of the fastest games of baseball ever played in Honolulu is looked for this afternoon at the league grounds, when the crack team of the Navy aboard the Milwaukee lines up against the fast Santa Clara boys. Ever since the game was assured the local fans have been making plans to be present at the game today, and many a tale of a sick grandmother, toothache, little brother has just fallen from the tree, and other excuses will be given so as the younger boys and girls in the great army of the employed will be able to get out and see the game. The doings are scheduled to commence at four o'clock, and until nearly six the eighteen players will do battle against each other, and to the winner will great credit be due, for each team is going in the game to win. Both teams have been practicing very hard for this afternoon's struggle and there will be no excuses to offer after the game is over. The teams will line up the same as in their last games, with the exception of Daniels who will be in the box in place of Seegar for the navy team.

Golf for the McInerney cup will be resumed at the Country Club on Saturday and Sunday. The next tournament of interest will be for the Tansan Cup, which will probably be held some time in August.

Arrangements have been made whereby the Santa Clara and Keio teams will remain here longer than expected. A series of games will be played with the All Hawaii team and the Santa Claras before they leave which will well be worth the price of admission.

J. McCandless and W. Cluney, members of the Kalihl Athletic Club who took part at the fleet meet held at the Boys' Field recently, did very well in the high jump. J. McCandless clearing the bar at 5 feet 8 inches, and the latter making 5 feet 6 inches without practice.

The third automobile endurance race around the island for the von Hamm-Young cup, will probably be held on Labor Day. Two races have already been held the winner each time being Sidney Jordan. If he is able to finish in the next run with a perfect score he will own the trophy.

A game between the Chinese A. C. and the Keio is being talked of as a preliminary to the Santa Clara-Picked Riverside league game. Such a game

would fill every seat at the league grounds, and why should not the game be played? The matter will be taken up and definitely decided on in a few days.

Jack McFadden, who has been seen in the local ring quite frequently of late, will shortly leave for the coast to resume training with Abe Attell for his return fight with Qwen Moran, the Britisher. McFadden made such a hit with Able that he has been trying to get Jack back for some time. McFadden will probably leave for the coast next Wednesday on the Alameda.

The Marines from Camp Verry and the sailors from the U. S. S. Arctura played ball yesterday afternoon at Atkinson park, and at the end of the game the score stood 25-5 in favor of the guardians of Camp Verry. Masak the twirler for the Marines struck out ten of the sailor men, while Kikowski of the Arctura team was hit at will during the entire game, as the score shows.

The Kalihl Athletic Club at its meeting last night decided to give another concert and dance at K. of P. hall the first Saturday in September, and a committee of three appointed to take the matter in hand. Capt. W. S. Rice of the track team reported that the athletes of the club carried away no less than ten medals in the recent fleet meet held at the Boys' Field. He won the silver cup by making the highest number of points, and also five medals, winning three first and two second places; J. McCandless five medals, two first and three second, and W. Cluney two medals, two third places.

According to news brought from Koko Head late yesterday afternoon, the Hawaii was leading the other five yachts in the Honolulu-Hilo race. As the yachts passed Diamond Head the fast little Kamehameha was ahead, followed closely by the Gwendolyn and the Hawaii in the order named. If the wind holds the Hawaii ought to arrive in Hilo ahead but if the wind falls one of the small yachts will probably be the winner. What the wind is today off the windward side of Maui no one here is able to say, but for the sake of the Hawaii every one hopes that it is blowing a half gale, as that is the kind of weather that the local boat wants. The first of the racers is looked for late tonight or the first thing tomorrow morning in Hilo, and we all hope that the wireless flashes back the words "Hawaii wins."
